

4. FINANCIALS & BUDGET (10%)

MCGP Cash Requested

Must be a dollar amount. What is the total cash funding you are requesting in this application? Please note that funding is determined by the evaluation panel and may not be for the whole amount of your cash request.

Overall Project Cost

What is the total budgeted cost (dollars) of your project?

Please outline your project budget in the income and expenditure tables below, including details of other funding that you have applied for, whether it has been confirmed or not. All amounts should be GST exclusive. If you are applying for in-kind hall hire this does not need to be included in the budget. If no cash is being requested enter '0' as the MCGP Cash amount.

Provide clear descriptions for each budget item in the 'Income' and 'Expenditure' columns, Examples of income could include 'Monash Community Grant', 'Member Contributions', 'Other Grant'. Examples of expenses could include 'Materials for art activity', 'Equipment hire', 'Contract facilitator x 40 hours'. Please see [here](#) for an example of how the budget should look.

Use the 'Notes' column for any additional information you think we should be aware of.

Please ensure you have read the MCGP Guidelines and only assign items to the Monash grant that are eligible under the category you are applying in. If the application is successful items that are not eligible will be deducted and will see funding reduced. A list of program-wide ineligible items can be found [here](#).

Your budget **MUST** balance (TOTAL INCOME AMOUNT = TOTAL EXPENDITURE AMOUNT). Please do not add commas to figures – e.g. type \$1000 not \$1,000 – this will ensure your figures for each table total correctly.
