

8.2 “TAKING COUNCIL TO THE PEOPLE”

Submitted by the Mayor, Cr Klisaris

NOTICE OF MOTION

That the following Council meetings be held outside of the Council Chamber in the Civic Centre, in the locations specified –

- 21 April 2009: Clayton Community Centre
- 25 August 2009: Monash Seminar and Training Centre
- 17 November 2009: Wellington Reserve Community Centre

ADDITIONAL INFORMATION

In 2008 the Council agreed to holding three Council meetings held outside of the Civic Centre, as part of “Taking Council To the People”.

Given the success of those meetings, I propose that the Council again agrees to three Council meetings in 2009 being held outside of the Civic Centre.

Consultation has occurred with all parties concerned and advice has been received that minor costs will be incurred regarding setting up the facilities to cater for the meetings. However, logistics can adapt to meet the needs.
