

6.10 MOST DANGEROUS AND CONGESTED INTERSECTIONS IN MONASH

Submitting Councillor: Cr Zographos

MOTION

That Council:

1. *Notes the policy commitment of the State Opposition that it will grade separate 55 of the most dangerous and congested road intersections in Melbourne and Geelong.*
2. *Writes to the State Roads Minister seeking a bi-partisan commitment to remove these dangerous congestion bottlenecks.*
3. *Directs officers to identify further intersections that Council would like to lobby for inclusion into the State Opposition's list (of which 20 will be announced later this year) and report back by the June 2018 ordinary Council meeting.*
