INTRODUCTION

With the onset and spread of COVID-19, Council may be faced with the situation that a quorum may not be able to be achieved at an Ordinary or Special Council meeting. Maddocks Lawyers¹ have issued councils a general alert that physical attendance at Council meetings is essential – unlike Boards of Regional Library Corporations, Councillors cannot participate in Council meetings by electronic or telephonic means.

¹ Maddocks eAlert | Council meetings and spread of COVID-19 - 17 MARCH 2020

This report is submitted to enable continued Council operations and to consider the need to increase the exercise of delegated decisions to the Council's Chief Executive Officer. Section 98 of the Act sets out the requirements for delegating council powers, duties and functions.

This report makes recommendations concerning the primary delegations from the Council to the Chief Executive Officer.

DISCUSSION

Delegations to the Chief Executive Officer (Attachment 1)

The primary delegations to the Chief Executive Officer provide that position with powers assigned to a Council by any Act or Regulation, and identify limitations to those powers as identifies in the Schedule to the Instrument of Delegation. Most notably, according to section 98(1) of the Act, Council cannot delegate the following powers, duties or functions:

1. the power of delegation;
2. the power to declare a rate or charge;
3. the power to borrow money;
4. the power to approve any expenditure not contained in a budget approved by the Council;
5. any power, duty or function of the Council under section 223; and
6. any prescribed power.

It is noted that no powers have been prescribed for the purposes of section 98 of the Act.

In response to the uncertainty arising from the unfolding Coronavirus crisis on Council's future operations, it is recommended that the existing delegations to the Chief Executive Officer be amended so that, in the circumstance that Council is unable to form a quorum, the Chief Executive Officer can act. As such, it is proposed that Council delegates to the Chief Executive Officer all of its powers, functions and duties that it is legally able to delegate to her pursuant to the Act.

With respect to the following powers, functions and duties:

1. award a contract with a value exceeding \$350,000;
2. make a local law under Part 5 of the Act;
3. approve the Council Plan under section 125 of the Act;
4. adopt the Strategic Resource Plan under section 126 of the Act;
5. prepare or adopt the Budget or a Revised Budget under Part 6 of the Act;
6. adopt the Auditor's report, Annual Financial Statements, Standard Statements and Performance Statement under Part 6 of the Act;
7. determine pursuant to section 37 of the Act that an extraordinary vacancy on Council not be filled;
8. exempt a member of a special committee who is not a Councillor from submitting a return under s.81 of the Act;
9. appoint Councillor or community delegates or representatives to external organisations;
10. return the general valuation and any supplementary valuations;

11. determine any matter under the *Planning and Environment Act 1987* which would, if exercised by another member of Council staff in reliance on the Instrument of Delegation from Council to Members of Council Staff, be subject to a condition or limitation under that Instrument; and
12. determine an issue, take action or do an act or thing which would or would be likely to involve a decision which is inconsistent with a:
 - 1.1 policy; or
 - 1.2 strategyadopted by Council,

the Chief Executive Officer can exercise or fulfil them ONLY IF she:

1. forms the view that a quorum of Council cannot be achieved; AND
2. provides 14 days' notice of her intention to exercise those powers, or fulfil those functions and duties, to Councillors; AND
3. causes to be published on Council's website a written report supporting her intended exercise of delegation at least 7 days prior to exercising it (unless the matter is one which is confidential); AND
4. considers and takes into account the views of Councillors expressed in response to the notice provided under paragraph 2 (noting that Councillors cannot direct the Chief Executive Officer with respect to her exercise of delegation, and that the Chief Executive Officer is not bound to exercise her delegation consistently with those views); AND
5. considers and takes into account any views expressed by residents, ratepayers and/or stakeholders responding the report published under paragraph 3 (noting that the Chief Executive Officer is not bound to exercise her delegation consistently with those views); AND
6. does not receive notice from a majority of Councillors that they do not support her proposed exercise of delegation; AND
7. having exercised her delegation, records and publishes on Council's website the exercise of delegation so that decision-making continues to be as accessible, transparent and visible to the community, and consistent with what it would be if these decisions were made by Council at a formal public Council meeting, as possible.

Delegations to members of Council staff (Attachment 2)

Additionally, it is necessary to adopt an amended S6 – Instrument of Delegation from Council to Members of Council Staff. This is because, in its current form, the Instrument delegates certain powers, functions and duties (eg under the *Planning and Environment Act 1989*) to the Chief Executive Officer, subject to certain conditions and limitations. In the same way that it is desirable in the current climate to give broader delegation to the Chief Executive Officer, it is desirable to remove the conditions and limitations that apply under this Instrument.

A new Instrument of Delegation from Council to Members of Council Staff is included at Attachment 2 for Council's consideration and adoption. All references to the Chief Executive Officer have been removed. She will rely entirely on the Instrument of Delegation from Council to Chief Executive Officer at Attachment 1 for her delegated authority.

No changes have been made to the Instrument of Delegation from Council to Members of Council Staff, other than to remove the Chief Executive Officer from it.

CONCLUSION

It is recommended that the delegations to the Chief Executive Officer, as recommended in this report, be made by the Council.
