

Definitions

* Works Manager –	Any person or body that is responsible for the conducting of works in, on or under the road. (Road Management Act – Schedule 7, Clause 14)
--------------------------	--

Works Manager Responsibilities:

Principles applying to infrastructure managers and works managers:

- (1) An infrastructure manager or a works manager must have regard to the principles specified in this clause in the provision of non-road infrastructure on roads.
- (2) The primary purpose of a road is use by members of the public and authorised users must be managed as far as is reasonably practicable in such a way as to minimise any adverse impacts on the primary purpose.
- (3) Without limiting the generality of sub-clause (2), authorised uses must be managed so as to –
 - a. minimise any damage to roads and road infrastructure;
 - b. ensure that works necessary for the provision of non-road infrastructure are conducted as quickly as practicable;
 - c. minimise any disruption to road users;
 - d. minimise any risk to the safety and property of road users and the public generally;
 - e. facilitate the design and installation of infrastructure which minimises any risk to the safety of road users;
 - f. ensure that the road and any other infrastructure is reinstated as nearly as practicable to the condition existing before the works necessary for the provision of the non-road infrastructure were conducted;
 - g. protect and preserve existing significant roadside vegetation and sites of biological significance within the road reserve.
