14. *Car spaces, access lanes and driveways shown on the endorsed plans must not be used for any other purpose, to the satisfaction of the Responsible Authority.*
15. *All loading and unloading of vehicles must be carried out within the designated loading bays and must be conducted in a manner that does not cause any interference with the circulation and parking of vehicles on the land, to the satisfaction of the Responsible Authority.*

#### *Drainage and Stormwater*

16. *The site must be drained to the satisfaction of the Responsible Authority.*
17. *No polluted and/or sediment laden runoff is to be discharged directly or indirectly into Council's drains or watercourses during and after development, to the satisfaction of the Responsible Authority.*
18. *Stormwater discharge is to be detained on site to the predevelopment level of peak stormwater discharge. Approval of any detention system is required by the City of Monash prior to works commencing, or any alternate system.*
19. *A plan detailing the drainage works must be submitted to the Engineering Division prior to the commencement of works. The plans are to show sufficient information to determine that the drainage works will meet all drainage requirements of this permit.*
20. *The full cost of reinstatement of any Council assets damaged as a result of demolition, building or construction works, must be met by the permit applicant or any other person responsible for such damage, to the satisfaction of the Responsible Authority.*

#### *Time for Starting and Completion*

21. *In accordance with section 68 of the Planning and Environment Act 1987, this permit will expire if one of the following circumstances applies:*
  - a) *The development has not started before 2 years from the date of issue.*
  - b) *The development is not completed before 4 years from the date of issue.**In accordance with section 69 of the Planning and Environment Act 1987, the responsible authority may extend the periods referred to if a request is made in writing before the permit expires, or:*
  - (i) *within six (6) months afterwards if the use or the development has not commenced; or*
  - (ii) *within twelve (12) months afterwards if the development has not been completed.**Council and the Victorian Civil and Administrative Tribunal are unable to approve requests outside of the relevant time frame.*

**NOTES:**

- A. Building Permit approval for the works must be obtained prior to the commencement of the approved works.**

*Any request for a variation of this Permit shall be lodged with the relevant fee as determined under the Planning & Environment (Fees) Regulations 2016.*

**CARRIED**

- 1.3 36 Beddoe Avenue, Clayton – Construction of A Four Storey Building With Basement Carpark For Student Accommodation and A Convenience Shop**

Moved Cr Fergeus,

Seconded Cr de Silva

*That Council resolves to issue a Notice of Decision to Refuse to Grant a Planning Permit (TPA/52096) for the construction of a four storey residential building with basement for the use of student accommodation and a convenience shop at 36 Beddoe Avenue, Clayton subject to the following grounds:*

- 1. The proposal is inconsistent with the Student Accommodation Policy at Clause 22.10 of the Monash Planning Scheme as it fails to respect sensitive residential interfaces, minimise visual bulk and is detrimental to the amenity of neighbouring properties.*
- 2. The proposal has not been designed to respect the site context or achieve good quality architectural outcome.*
- 3. The proposal will significantly overshadow the secluded private open space & existing rooftop solar energy systems of adjoining properties.*
- 4. The proposal provides for poor internal amenity for future residents.*
- 5. The proposal fails to provide adequate on site car parking spaces.*
- 6. The proposal represents a poor design outcome for the site and the area.*
- 7. The proposal does not provide for adequate or appropriate landscaping outcomes.*

**CARRIED**

- 1.4 256 Stephensons Road, Mount Waverley – To Remove Two Trees In A Vegetation Protection Overlay**

Moved Cr James,

Seconded Cr Fergeus

- 
- A. That Council resolves to issue a Notice of Decision to Refuse to Grant a Planning Permit (TPA/52345) for the removal of two (2) trees in a Vegetation Protection Overlay (VPO) at 256 Stephenson's Road Mount Waverley subject to the following ground:**
- 1. The trees make a significant contribution to the landscape character of the area and their removal does not accord with the objectives of Clause 22.05 (Tree Conservation Policy) and Clause 42.02 (Vegetation Protection Overlay) of the Monash Planning Scheme.**
- B. That Council write to the owner advising that Tree 2 and Tree 3 are to be retained, and that:**
- 1. As recommended by the arborist engaged by the applicant**
    - A suitably qualified person should be engaged for minor canopy clearance from the building.**
    - The bifurcation of tree 2 should be monitored over time to ensure included bark does not develop.**
    - The trees should be inspected every 2 years or after any major storms.**
    - All work required should be completed by a qualified person in accordance with Australian standards AS4373-1996 - Pruning of Amenity Trees.**
  - 2. The owner consider retention of Tree 1 as the roots are intertwined with the remaining two trees. Removal of this tree may compromise the structural integrity of Trees 2 & 3. Should Tree 1 be removed and cause damage to Trees 2 & 3 that leads to them being structurally compromised or to die in the absence of a planning permit having been obtained for their removal it may result in a breach of the Monash Planning Scheme.**
