**INTRODUCTION**

The Council is requested to set the dates for the Meetings of Council in 2022.

**ANALYSIS**

As no dates for the Meetings of Council have been set beyond the end of this calendar year, Council is asked to consider setting its meeting dates for 2022.

The proposed schedule follows that used for previous years, including holding a meeting earlier than the last Tuesday of the month, in December, to take the holiday period into account.

The proposed meeting commencement time remains unchanged.

It should be noted, that, in the event of possible future COVID-19 related restrictions, under public health considerations, meetings may need to be conducted virtually.

Early determination of the 2022 Council meeting dates will assist the Administration with timetabling of future activities such as tenders, community consultation, hearing of public submissions, etc.

***IMPLEMENTATION***

The dates for the 2022 Meetings, if approved by Council, will be advertised on Council's web site and in the 'Monash Bulletin'.
