Dear Alexa

Ref: Naming of Capital Reserve Pavilion Social Rooms the  
**BROOKE CALDER SOCIAL ROOMS**

I write on behalf of the Glen Waverley Hawks Sports Club Inc and the Glen Waverley Hawks Cricket Club following the letter from Mr. Tony Oulton dated 25<sup>th</sup> November 2021 in response to our letter dated the 17<sup>th</sup> of October 2021 and our meeting with you and Belinda of today.

The club have asked me to seek Council approval to name the Pavilion Social Rooms at Capital Reserve in honor of a Life Member of both clubs, the **BROOKE CALDER SOCIAL ROOMS**.

Brooke died in April of this year because of cancer at the age of 45 following an 18-month battle where at one stage he was in remission. He leaves a wife Renee and two small boys in Fletcher (4 years) and Henley (2 years). The club feels that naming the social rooms would be a fitting tribute to Brooke and give his two sons and wife a place to remember their father and husband for years to come.

Brooke is a life member of the GWHSC Inc and the GWHCC. He first played for the club as a 14-year-old and lived in the City of Monash from 1983 until 2000 and then in adjoining LGA of Knox and Whitehorse. At the time of his death, he was a Director of Mutual Trust Ltd. A measure of the esteem Brooke held in the community was that Council allowed the family to hold the funeral service at Capital Reserve in a marquee on the oval in late April (between lock downs) in which 350+ people attended and Mutual Trust Ltd organized a live telecast to Sydney & Perth offices but also to other people who could not participate.

Both clubs fully support the naming of the pavilion social rooms the **BROOKE CALDER SOCIAL ROOMS** in recognition of the services he gave to all.

We attach the following documents

Summary of Brookes' history at Capital Reserve

Renee Calder (Wife) letter of support

Glen Waverley Soccer Clubs letter of support

Minutes of GWHSC Inc meeting of 5/10/21 (Refer to President & Cricket reports)

Minutes of GWHCC meeting 25/08/21 (Refer to Reports section Honoring Brooke)

The GWHCC announced last Saturday that a memorial perpetual trophy will also be awarded to the best batsman across the club.

Following our discussions of today we would propose that the name be displayed on the glass panel adjacent to the entry door to the pavilion social rooms.

We trust that this application will be supported and approved by Council.

Yours faithfully

K. E. Calder  
President

#### REPORTS

###### Child safety

- Will be top agenda item moving forward.

- Use Sports Club ABN and PO Box number when making application.

- A.Chelvan unanimously chosen as best candidate.
- S.Somaia recommended to announce on social media.
- G.Haye 2<sup>nd</sup> XI & G.McCormick 3<sup>rd</sup> XI captains again.
- Mitch Kohne appointed 1<sup>st</sup> T20 team captain. He is keen to take on more responsibility and will be a good stepping stone for him.

Follow us on Twitter

- S.Somaia to discuss with A.Chelvan deals for other players. Get Mitch Kohne involved for his mates.
- Player sponsors to remain the same.
- C.Hocart stepping down as Chairman of Selectors. Possibly ask Glen Mahoney. Decide later.
- Voting process for Club Champion and Dale/McCormick medal. Decide later. Process needs to be documented.

### **Sponsorship**

- S.Somaia has drafted a letter to Mulgrave Country Club. Waiting to send until lockdown is finished.
- S.Somaia emailed Centaine re Mills Plumbing sponsoring.
- M.Brennan taking the lead on The Palms. Possible \$1k sponsorship if we have a junior function there.
- Possible sponsorship with A.Chelvan's dad's company.
- Binu sent details of his house builder to S.Somaia.
- Follow up Paul Mahoney.
- A.Sarve to follow up Addicted to Fish.
- Need to tap into junior parents. K.Sathiyaseelan will contact parents.
- Need to promote sponsorship packages more, especially on social media. Not enough knowledge of packages available.

### **Property**

- Look at getting new hoodies & shorts. Need to decide on a supplier.
- Need more practice balls.

### **Social**

- Season launch at Sporting Globe if possible.
- Club to pay fee for Soundcloud podcasts. Best to pay annually. G.Haye to send invoice to B.Mahendrajah.
- K.Calder to send invoice for internet at some stage.
- Binu to cook meals on Thursdays?

### **General Business**

- N.Bungey – get ads for juniors on Facebook.
- G.Haye – streaming kit. Get in touch with other clubs who use it and possibly setup a trial. G.Haye & A.Sarve to contact Kew CC. May not happen this season but can put together a proposal for sponsors based on research found.
- N.Bungey – requested 1<sup>st</sup> XI to play at home in early December for Past Players Day to honour Brooke.
- K.Calder – Rovers using line marking machine. Need to order more paint. 5 containers were ordered at the start of last season and was just enough.
- K.Calder – his sister in law diagnosed with stage 4 cancer and has decided to not receive treatment. Ken and Lis trying to get permit to for South Australia but proving difficult. All passed on their best to Ken and the Calder family.
- K.Calder – rangehood needs to be cleaned. Will be organised for late September.

- Need written permission when giving juniors a lift to and from cricket. A text message is sufficient. Don't leave them alone after cricket waiting for a parent to pick them up, wait until they arrive.

### **Junior**

- N/A. Team nominations yet to be sent.

### **Sports Club**

- K.Calder reported the QR code in the clubrooms is now active.
- Auskick no longer happening at Capital Reserve. Football club moved it to Central Reserve.
- Only cricket club and Over 60/70s left in Sports Club. Will look to incorporate sports club into cricket club committee in the future but for now having a separate account is an asset.
- B.Mahendrajah to be new Treasurer.
- K.Calder sent an email to anyone whose RSA and working with children check has expired.
- Light towers to be replaced on the Eastern side of Capital Reserve, including the tower closest to the nets which will be closer and have a power switch for the bowling machine. Towers will have LED lights with 100 lux capacity, with the option of 150 lux.
- Likely to be done during the cricket season but should not affect any use of the ground.

### **Club Governance**

- A.Chelvan to be Covid Officer again.
- Illicit Drugs Policy to be the same as last season.
- Good Sports info is up to date.
- Club manual – include a grievance policy for seniors as well.

### **Junior/Woolworths Blast**

- A couple of enquiries from young kids that would be best for Woolworths, including a girl.
- Reece Anderson trying to get more mates for an Under 18 team.
- Team nominations not sent yet by BHRDCA.
- Ahilan contacted Masuri for junior apparel. Benefit is they setup an online shop where parents order shirts etc. and the club does not have to manage. Only concern is we already have Icon coloured shirts and Kookaburra white playing shirts from previous years. Check with Simon Gordon if his contact at Icon has a correlation with the apparel company.
- Look to have all junior teams wear coloured clothes but will need to wear whites to start season until players receive new gear.

### **Senior**

- Ahilan sent out preseason schedule. All players encourage to join running challenge.
- Subs remain the same.
- Sunny from SPL a new recruit. Simon Gordon's mate likely.

#### Hall of Fame

- Follow on Hall of Fame inductees from 40<sup>th</sup>. Small plaque in clubrooms walkway? Will discuss later.

#### Honouring Brooke Calder

- Various ways to remember him. All players wearing black armbands in Round 1.
- Past Players Day in early December around the time of his birthday.
- A new award for the leading batting & bowling average winner throughout the senior grades combined. The batting would be named after Brooke. Bowling named after Matt Briginshaw – Matty was one of his best mates and is leading wicket taker in club history.
- Suggestion to name the pavilion after Brooke. K.Calder will check with council. Can name pavilion after Brooke unofficially if council do not approve. Could open it on Past Players Day?
- Look at a charity T20 game against Vermont South?

#### Covid effects

- Possible delay to start of season. Maybe all one dayers at least before Christmas, possible all one dayers for the season.

#### Junior subcommittee

- K.Sathiyaseelan said not much interest so far from parents but hopes will improve when lockdown finishes.
- Best to start the committee, even with just a few names and target other parents.
- C.Hocart to provide names to target.
- Encourage ladies to join to get a different perspective and wider audience.
- K.Sathiyaseelen will send another email but will wait when things become clearer. Look at sending a survey to all parents on how they can help.

#### President succession plan.

- TBC.

#### Treasurer

- Approximately just over \$30k in account.
- Some sponsorship and senior subs have been paid. Insurance also paid.
- Bigger expenses to come later.

#### Delegates

##### Senior

- All info from BHRDCA AGM etc. forwarded in emails.
- G.Haye attended coaching seminar. Look at aligning with a junior footy club and kids get discounted subs.
- Video coaching starting to become a big appeal for kids.
- C.Briginshaw attended child safety webinar. Need to create an official process for parent grievances and how they are to occur. Include in club manual. Need signed permission from parents to publish photos and any filming.
