# Street Overview

The map below details the removals, replacements and infill plantings. All other trees have been assessed as having more than two years useful life and will be retained.

## Street Overview Legend

-  Tree to be Removed and Replaced
-  New Tree
-  Tree Removed with No Replacement

## Tree Species

Council's Street Tree Strategy team has chosen an appropriate species for the location.

<i>Pyrus calleryana</i> 'Capital' (Capital Ornamental Pear)	
	<p>This tree has a narrow growth habit with luscious shiny green leaves that hang vertically from branches. An attractive curl in the foliage adds further interest and the slender, columnar shape lends itself well to tight spaces. In autumn, leaves turn a purple-red and spring brings a beautiful display of lovely white flowers followed by small, russet coloured fruits.</p>
