

# Monash Council Logo

The Monash Council ‘Proudly supported by’ logo is used to acknowledge Council’s contribution to organisations or events supported by Council and to grant recipients. Council’s contribution may be monetary or in the form of services or facilities provided by Council.

**Position:**  
Bottom-right corner of the design.

**Clear Space:**  
Leave enough padding around *Proudly supported by Monash logo* so it doesn’t feel cramped (at least the height of the “H” in Monash).

**Size:**  
Keep it proportional—visible but not overpowering the main content.

**Background:**  
Ensure good contrast; if the background is busy, consider using a white box or transparent version of the logo.
