

Clothing Donation Bin Permit Conditions

- Donation bins are for clothing only.
- Bins must clearly display the organisation name, beneficiary, and contact phone number.
- Bins must be securely constructed, stable in all weather and designed to minimise vandalism.
- Bins must be placed on ground level in the approved location only.
- The permit holder must maintain bins and surrounding areas, and remove any waste placed next to or blown from the bin, including all items within a 5-metre radius of the bin, within 24 hours of becoming aware or being notified of such waste.
- Offensive graffiti must be removed within 24 hours of becoming aware or being notified. All other graffiti must be removed within 5 business days.
- Bins must be checked and cleared regularly - at least every 48 hours, or daily during peak periods.
- Public Liability Insurance of \$20 million must be held and provided to Council.
- Application and permit fees apply unless waived for eligible organisations.
- The permit is valid only for the approved bin(s) and approved site(s).
- Council may inspect bin sites at any time.
- Bins that do not meet permit conditions may be removed or impounded without notice.
- If illegal dumping continues to occur at the bin site, Council may require the permit holder to install CCTV or other deterrent measures to monitor and reduce unlawful activity.
- The permit becomes invalid if fees are unpaid, insurance lapses, or conditions are breached.
- Moving or installing bins at a new site requires Council approval.

By submitting this application, the applicant acknowledges they have read, understood, and agree to all conditions of the Donation Bin Permit. Non-compliance may result in enforcement action, removal or impoundment of bins, or cancellation of the permit.
