This report is provided for Council’s endorsement of the draft ‘Council Plan 2009 – 2013 (2012 Update)’ for the purpose of community consultation prior to the consideration of any submissions received from the community and eventual adoption by the Council on 26 June 2012.

DISCUSSION

The Strategic Resource Plan is largely consistent with previously published versions in regard to the assumptions and parameters advised in the attached Council Plan 2009-13 (2012 update).

Community Consultation

A significant community consultation process was undertaken to develop the ‘Council Plan 2009 – 2013’ including the facilitation of:

- A Councillor workshop in March 2009 to review the strategic objectives and to develop Council’s strategic direction for the next four years.
- Interactive displays at community festivals conducted between February and April 2009 that facilitated the opportunity for approximately 900 community participants to identify their top three priorities for the Council to consider for inclusion in the Council Plan;
- Council Advisory Committees Workshops including: Young Persons Reference Group, Older Persons Reference Group, Disability Consultative Committee and the Environment Advisory Committee;
- Participation through an invitation to respond to a questionnaire for Members of the Economic Development Forum and the Multicultural Advisory Committee; as well as workshops conducted with:
• Ashwood, Ashburton, Chadstone (AAC) Neighbourhood Renewal Group;
• Representatives of the Monash Health Network and the Division of GP’s; and
council staff.

The results of the Community Consultation process have provided valuable input into the development of a strategic four year Council Plan that builds on the objectives set down in Monash 2021 – a thriving community. Further consultation will be available to the wider community through the public display of the draft 2009 – 2013 (2012 Update) Council Plan and submission process described below.

The Council Plan 2009-2013 (2012 update) contains a number of achievements of the Council during the term of the plan and a number of initiatives and activities within the future directions for the final 12 months of the current plan.
