

A Healthy and Resilient Monash: Integrated Plan

2017 - 2021

Action Plan
Year Two
2018 - 2019

A Healthy and Resilient Monash: Integrated Plan 2017-2021 is a strategic policy document

A Healthy and Resilient Monash: Integrated Plan 2017-2021 is a strategic policy document that captures and draws together priorities from Council plans, activities and services that contribute to the health, happiness and wellbeing of the Monash community. The Action Plan will have ownership by the Community Development and Services Directorate of Council and will be delivered in partnership with all areas of Council, local and regional community organisations and Monash community representatives.

Each year the Plan will release an annual action plan to identify emerging priorities for action. These priorities will be informed by community, Council and key partner agencies as requiring specialised attention. They will be further developed utilising sources of community evidence contained in the companion document ***Our Community: A Snapshot***.

The ***Action Plan*** will be evaluated on an annual basis and reported to Council. In progressively reviewing the Plan, we will:

- work in close association and provide quarterly progress reports to all advisory committees that contribute to ***A Healthy and Resilient Monash: Integrated Plan 2017-2021***;
- review our achievements against the evidence; and
- develop a detailed evaluation in consultation with our stakeholder groups at the conclusion of this plan in 2021.

In addition to the actions identified in the annual action plan, Council will continue to deliver its full suite of services, activities and programs.

A city dedicated to optimal health and wellbeing for its community

HEALTHY LIFESTYLES	What we will do
<p>Physically Active</p> <p>Regular physical activity throughout life is one of the most significant factors in the promotion of good health and the prevention of chronic disease.</p>	<ul style="list-style-type: none"> ● Promote active transport ● Provide physical activity programs and facilities that are responsive and accessible to all, including: <ul style="list-style-type: none"> ● Reaching out to those with low levels of physical activity; and ● Activating neighbourhood and public spaces. ● Develop a network of accessible play spaces that provide activity opportunities for all ages. ● Deliver and support recreation, arts and cultural events that foster creativity in play and physical activity for children, young people and their families.
