

6.3 APPOINTMENT TO METROPOLITAN TRANSPORT FORUM

Submitting Councillor: Stuart James

MOTION

That Cr Stuart James be appointed as Council's second representative to the Metropolitan Transport Forum.

INTRODUCTION

At its 11 December 2018 meeting, the Council appointed Cr Saloumi to the Metropolitan Transport Forum (MTF).

The delegated representatives, as provided for in the MTF's constitution, are one Councillor and one officer.

Many councils nominate a second Councillor as a back up and some councils have nominated two councillor delegates.

Cr James was recently invited to join the Executive.

DISCUSSION

Cr James's participation on the MTF Executive can only take place if he is appointed as a representative of Council.

It is proposed that, if appointed, Cr James would be a secondary delegate and in situations where both delegates were present, Cr Saloumi would represent the view of Council.
