Responsible Officer: Jarrod Doake, Chief Operating Officer

RECOMMENDATION

That:

- 1. given the circumstances presented by the COVID-19 virus*
- 2. in recognition of the need to ensure community safety*
- 3. in the expectation that more stringent measures will be introduced by either the State or Federal Governments, very shortly*

the scheduled Ordinary Meeting of Council set for 31 March 2020, not be held.

INTRODUCTION/BACKGROUND

Given the extraordinary circumstances presented by the COVID-19 virus situation, it is recommended that the 31 March 2020 scheduled Ordinary Meeting of Council not be held.

It is likely that either the State or Federal Government will soon introduce more stringent measures across the community.

The Council is anxious to do its part in addressing the current crisis and contribute to public safety.

It is therefore proposed that next week's meeting not be held.
