

Dear [insert name]

My name is [insert name] and I am writing on behalf of the Monash Youth Committee (MYC). The MYC is writing to you as one of your constituents to request a meeting with you to discuss issues affecting young people in the City of Monash and to understand what you and your government are doing to help young people within the City of Monash.

MYC is an advisory group at Monash Council for young people aged 15-25 years. The Committee endeavours to address important youth issues and advocate in the best interest of young people within the City of Monash, through advocating on their behalf to the Monash City Council and to the wider community on important youth issues, as well as working to support and educate young people on these issues.

Issues of importance relating to State Government are:

- Victorian Governments electric vehicle policy.
- Secure Work Pilot Scheme
- Housing Affordability
- Secondary School Curriculum embedding financial literacy.

Thank you for taking the time to read this. We look forward to hearing from you soon and we look forward to working with you in the future on these important matters. Please feel free to contact us if you require any further information; we would be more than happy to assist with any questions and queries.

Yours faithfully,
